

Work 160

Full-auto Hot Laminator

- Hybrid hot & cold laminator for both laminating and cutting
- Adjustable pneumatic back work table leaves more space for operation
- Rectifiable and longitudinal trimmers make the finished more effective

Performance

- Hybrid laminating and cutting
- Premium silicon roller ensures heavy-duty work
- Rear speed control button
- Activate or deactivate cutters by pneumatic rear table

Ease of use

- Pneumatic roller lifting
- Bottom tray for easy loading and storage
- Light weight drop-in supply shafts with auto-grip for easy loading

Safety

- Foot switch for hands free operation
- Laser safety eyes and 1 emergency stop
- CE, PSE

Parameter

Work 160	
Max lamination width	1630mm/64"
Max lamination thickness	28mm/1.1"
Max speed	12m/min
Max temp	120° C/242° F
Up and down	Pneumatic
Heating	Infrared
Warm up time	10-15min
Power consumption	0.9-1.8 kw/h
Power input	2500w
Volt	110V/220V
N.W	240kg
